### 3. Personal data processing purposes and legal basis

CSH automatically downloads and saves in server log files some of the information that is usually transmitted by your browser, as long as your browser provides it. No other personal data than IP addresses are processed by our website. CSH cannot assign these data to particular persons, and such data will not be associated with data coming from other sources. These data are not associated with any other source data. IP addresses are processed for the purpose of providing services relating to the use of the website. IP addresses are stored in log files only temporarily, for security purposes and for a legitimate interest. IP addresses are not assigned to particular persons.

### 4. Personal data recipients

Our website uses hosting services offered by the data processing entity.

### 5. Personal data retention period

IP addresses processed in relation to the use of our website are not stored for a long period. IP addresses are stored in log files only temporarily, for security purposes and for a legitimate interest. IP addresses are not assigned to particular persons.

### 6. Rights of data subjects

You have the right to be informed about your personal data stored by CSH, about recipients of these data and about purposes of their processing. Moreover, you have the right to request for your personal data to be rectified or deleted, or for the processing of your personal data to be limited.

You can ask as about collecting, processing and using your personal data any time. You also have the right to object to the processing or of your personal data and the right to transfer your personal data.

You can ask as about any issues related to collecting, processing and using your personal data any time.

Moreover, you are entitled to lodge a complaint with the competent data protection supervisory authority in Wiesbaden, Germany.
