We understand Clients & Accounts as:

- account opening
- handling undeliverable mail
- Customer Service Centre
- document duplication
- research for commercial register extracts
- correction and booking of incorrectly calculated fees
- Opening Client's account, change/ removal of account and tax-related data

For our Clients:

- we close 80,000 accounts every month
- we are a trusted partner for servicing numerous banking processes
- we offer flexibility in relation to volume changes and special requests

Example: Account opening
